

Murrow Boulevard Greenway Study

Overall Plan

LEGEND / NOTES

The City of Greensboro has separated this project into 6 segments with various options for each segment:

Segment 1 - Lee Street at Murrow Boulevard intersection (3)

Segment 2 - Murrow Boulevard. - Lee Street to East Market Street (3)

Segment 3 - Murrow Boulevard - East Market Street to Friendly Avenue (3)

Segment 4 - Murrow Boulevard - Friendly Avenue to Homeland Avenue (3)

Segment 5 - Murrow Boulevard - Homeland Avenue to Magnolia Street (1)

Segment 6 - Fisher Avenue - Magnolia Street to Eugene Street (1)

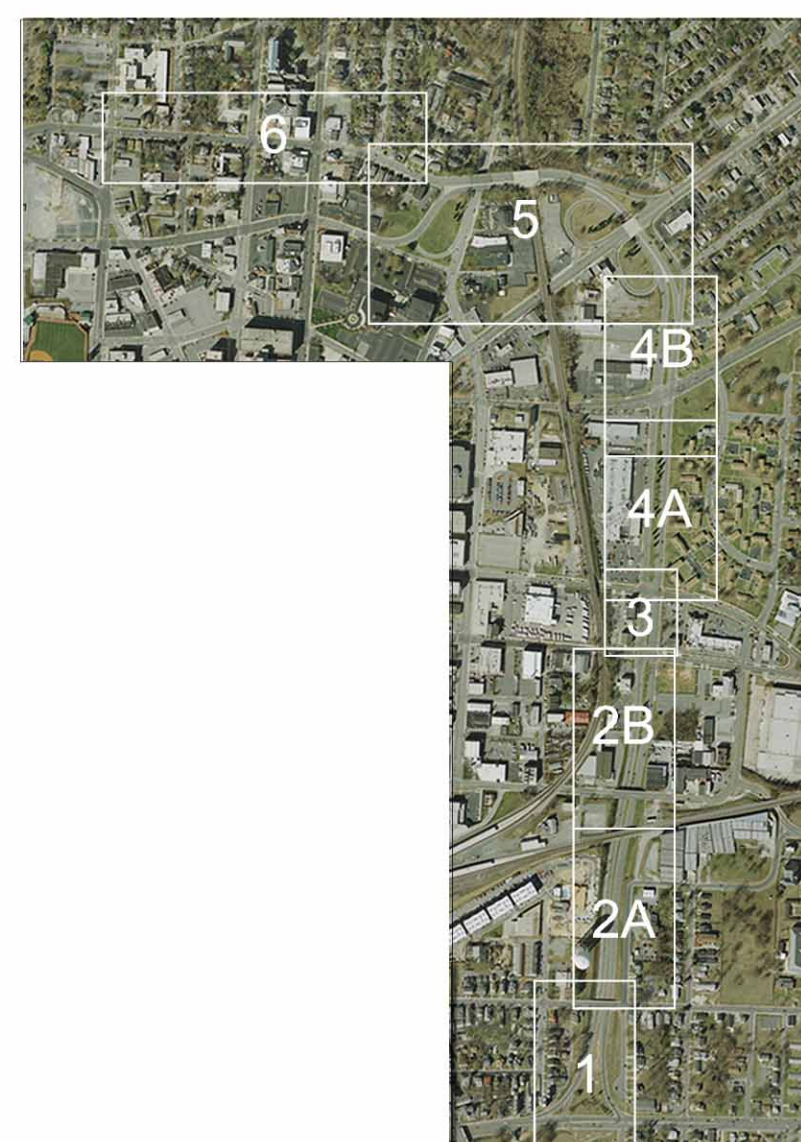

The main goal is to provide a continuous Greenway Trail System from Lee Street to Eugene Street via the east side of Murrow Boulevard and the north side of Fisher Avenue.

Each board will present each segment along with a summary of each option and the Pros and Cons of each option. These options will also be presented in an overall matrix separately.

For ease of presentation, Segments 1 & 2 have been combined into Roll 1. Segments 3, 4, & 5 into Roll 2, and Segments 5 & 6 into Roll 3. There will be 3 options for Rolls 1 & 2 and 1 option shown for Roll 3.
